

LUX* ME RELOAD

This upon-arrival wellness package is designed to help you unwind, decompress, and reboot when embarking on your LUX* journey, ready to fully celebrate your stay.

- **45-minute Serenity Stretch**
Relieve muscle tension and increase the blood circulation combating jetlag. Stretch and breath in synch for a complete rejuvenating sensation.
- **30-minute Complimentary Body Balance Analysis**
Because no one moves perfectly! Seven basic movement patterns to identify tightness and weakness in the body and get the advice how to retrain the body to move in the most stable and efficient way possible.

In addition, please choose **ONE** option from the list below according to your preference:

- **60-minute Muscle Reviver Cupping Therapy**
This treatment combines deep and rhythmical massage techniques. The soft cupping is applied on the targeted area to speed up the removal of wastes from the system.

OR

- **60-minute Oxygen Radiance Facial**
Also known as the Celebrity Facial. It's an oxygen infusion therapy that is non-invasive, dramatically enhances skin hydration, and gives you a red-carpet glow instantaneously.

At LUX* Grand Gaube, Anti-ageing Carita Facial, specially designed to reenergise dehydrated and tired skin. The skin is awakened, features are softened, and the face is left glowing.

LUX* ME WELL

An effortless approach to well-being incorporating movement session, nutrition, a Zen state of mind, and relaxation.

- **30-minute Complimentary Body Balance Analysis**
Because no one moves perfectly! Seven basic movement patterns to identify tightness and weakness in the body and get the advice how to retrain the body to move in the most stable and efficient way possible.
- **90-minute LUX* Signature Ritual**
Authentic to each LUX*ME spa, it is a complete sensory experience using traditional treatment techniques and organic ingredients.
- **A wellness smoothie and nutrition advice**

In addition, please choose **ONE** option from the list below according to your preference:

- **60-minute Sun and Sea Mindful Movement Session**
Breathe deep, close your eyes, listen to the ocean, the rays of the sun, the sand sensation under your feet ... the beach gets you feeling all Zen and relaxed. The perfect space to exercise mindfulness!

OR

- **60-minute Float Fit Workout**
A 45-minute full body class, including squats, mountain climbers and burpees, followed by a floating cool-down. All exercises are continually challenged by the constant movement of water.
